HELLO!

Beach Tutors is so excited to offer another summer of safe, fun and engaging activities for our campers! Please review the following information and help us by complying with the rules so that all campers may participate safely.

Covid Policies

As restrictions have eased, we wanted to let you know what to expect for our outdoor Beach Tutor's Camps.

Based on the guidelines for our state and county, and in coordination with the city of Long Beach, we are moving from "Masks Required" to "Mask Friendly".

What does that mean for camp(s)?

- Masks are not required for anyone who has been vaccinated.
- For our outdoor areas, which is 100% of our program, masks are optional.

We also know that many of you are still going to be more comfortable wearing masks and we invite you to do so!

At Beach Tutors, we have always honored both the local guidelines and those that attend our camps (both staff and children) to create a safe and welcoming environment.

Thank you for your flexibility and patience as we have navigated this season!
